

When Spirit and Wild Medicine collaborate.

We support sustainable and organic farming practices and pride ourselves in providing our community with artisanal herbal products made with over 80% locally sourced herbs.

Herbal Formulas

Made with organic cane alcohol and organically grown or wildcrafted herbs.

SINGLE HERB TINCTURES We make over 200 single tinctures. Contact us for a complete listing.

Custom Formulation Available Upon Request

Adrenal All Stars: Stay on top of your game with our best team yet! This formula includes some of the top adrenal players such as Maca, American Ginseng, Ashwagandha and Sacred Basil. This team of All-Stars will build sustainable energy throughout your season and keep you on the winning team!! For best results, take for 3-12 months.

Allerg-Ease: A combination of our Clear Sinus formula and fresh Nettles; this is a wonderful aid for seasonal allergies. Serves as a natural anti-histamine and suppresses inflammation of the sinuses.

Berry Blast: A nutritive blend of antioxidant rich foods including: acai berry, bilberry, elderberry, goji berry, hawthorn berry and green tea. Supports heart function, healthy vision and daily immune system response.

Bitters Tonic: Known for its ability to balance appetite, stimulate chronic sluggish digestion, and help with sugar cravings, bitters has been used widely for centuries.

Cardio Care: Supports and nourishes heart function with potent blood cleansers and circulatory herbs.

Changing Times: Helps with hot flashes, anxiety, insomnia and other menopausal symptoms; a great formula for menopause, perimenopause and hormone balancing.

Circulate: Great for poor circulation. This formula improves blood flow to the extremities, and enhances memory and cognitive function. Useful for treating varicose veins, hemorrhoids, memory loss, and cold hands and feet.

Clear Sinus: Helps with itchy eyes, runny nose, blocked ears and other allergy/cold symptoms.

Colon Care: A helpful formula providing relief for chronic colon and digestive issues. High in antioxidants, vitamins and micronutrients, colon care nourishes the system while acting as a powerful restorative agent to the intestinal lining, for those who have suffered severe colon trauma such as IBS, litis, or diverticulitis looking to strengthen their GI tract.

Cold Care: Supportive with any kind of cold or flu. Stimulates your immune system, reduces fever and helps to stop the beginning of general infections.

Cramp Relief: A tasty cordial for killer menstrual cramps and cramps during ovulation.

Deep Breath: Considered our number one asthma formula, Deep Breath is a lung tonic and respiratory aid, helping to ease spasmodic coughs due to asthma or bronchial issues, giving the opportunity for the body to take a breath.

Digestive Aid: A delicious peppermint flavored formula for any GI disturbance, i.e.: gas pains, nausea, diarrhea, and constipation; a perfect after-dinner cordial.

Echinacea-Osha: Good for sore throats, infections, coughs, and mouth and gum problems. A great herbal antibiotic. This product may also be used externally for infected cuts. (Note: This formula contains propolis, people who are allergic or sensitive to bees may not be able to use propolis.)

Fibro-Care: This herbal combination helps ease pain specific to fibromyalgia, but is not limited to this. This is a powerful blend for any whole body pain experienced due to a variety of reasons.

Flower Power: A magical bouquet of wild and cultivated flowers from the Artemisia gardens, infused into a tincture to nourish the spirit and lighten the heart. Use for depression or grief and to bring joy and peace to the soul.

FOCUS: NEW! A neurological formula, this blend helps to restore cognitive function, and re-establish neuro-connections within the brain. This is a great memory blend!

HerpEase: Treats both the Simplex and Complex virus, it can be taken internally as a tonic for acute and chronic conditions, as well as used topically during breakouts.

Immune Booster: This formula is a perfect tool to keep on hand for teachers, parents, caregivers who are around those who might increase likelihood for colds and flu.

Inflamma-Relief: A delicious blend of locally grown ginger and turmeric with a dash of black pepper. Helps balance and promote the health of the body's inflammation response. Supports brain function, joint function and liver function.

Insight: NEW! A formula to help strengthen and support vision. Our blend contains herbs with nutritive properties to support healthy blood sugar levels, reduce inflammation, and relieve stress within the eyes. The nutritive qualities, coupled with the antioxidant nature of the berries help to protect from damaging effects of free radicals, create a holistic approach to vision wellness.

Lomatium Balsam: Respiratory anti-viral formula great for long lasting winter coughs; helps resolve long-term respiratory problems, and contains anti-biotic properties which help to prevent or aid sinus infection.

Lyme Formula: Core support for those dealing with Lyme's disease. Supports overall immune function.

Lymph Flow: Builds the immune system and works as a lymphatic cleanser and detoxifier. Use for swollen glands, lymph nodes and sore throats.

Men's Rejuvenating Formula: This formula helps with lack of energy due to adrenal fatigue, and helps to rekindle vitality within the male system.

MigraCalm: A must for migraines, use preventively as well as during the onset of migraine symptoms.

Mouth and Gum: This formula is great for any mouth and gum sore, bleeding gums, ulcers and any kind of mouth infection.

Mullein Grindelia: Good for wet and dry coughs and deep lung congestion; also use as a lung tonic. Great for smokers and those trying to quit smoking.

Muscle Relaxant: Helps relieve pain from muscle tightness and soreness; use for injuries, fibromyalgia and general muscle soreness. Also a sleep enhancer. Pairs well with the Muscle Ease Liniment.

Nourishment Formula: A rich blend of fluid extracts and tinctures - a tonic for the entire body. Builds "chi" (energy); nourishes the liver, the blood, the kidneys and gives an overall sense of well-being. Great to use in the spring in tandem with our Lymph formula.

Parasite Formula: Treats any type of parasitic infection. Reduces pain in the abdomen and stresses the digestive system. A great international travel companion, parasite formula can be taken preventatively with meals, or once an infection has occurred.

Rag Time Blues: A tasty formula to help combat those monthly blues. Supports women during their cycle with heavy hormonal shifts and other PMS symptoms such as anxiety, depression, cramping, bloating. Can also be taken to help with irregular hormonal shifts throughout the month.

Regenerate: A well rounded formula we consider to be our "super system booster" tincture which uses strengthening herbs such as Reishi and Ginsengs to deeply revitalize both the immune system and the adrenals. Great for anyone with chronic or auto-immune issues.

Roots Plus: Nourishing and building tonic for the liver, kidneys, skin and digestive tract. Great to use in the fall with our Lymph formula.

Skin Tonic: A helpful friend for skin conditions of all kinds. From adolescent acne, to flare-ups during hormonal shifts of their menstrual cycle, or even skin rashes such as exzema or psoriasis, this blend targets the liver to detoxify the liver in turn clearing the skin.

Sound Asleep: Use specifically for insomnia and waking in the middle of the night. This blend helps you get to sleep and have a restful sleep the whole night!

Sugar Balance: Particularly useful with treatment of Type II Adult Onset Diabetes. Lowers blood sugar, protects the eyes and nerves. Increases cells' ability to use glucose; supports adrenal glands.

Super Immune Plus: Our Regenerate formula, coupled with an extra anti-viral kick to help combat those serious viruses.

Tranquility: Feeds, relaxes and soothes the nervous system; takes the edge off stressful situations and calms the spirit.

Triple Mushroom: A deep immune builder and anti-toxin combination of reishi, shiitake and maitake mushrooms which nourish and support the whole body, an excellent anti-oxidant for auto-immune diseases and cancer support.

Viral Defense: We chose the best anti-viral herbs available and blended them into this formula. This is your best defense against the increasing virulence of flu strains during the cold winter months.

Herbal Honey

Made with local raw unfiltered honey and organically grown or wildcrafted herbs.

Osha Honey: A must for the winter months, this medicinal honey can be used for coughs, colds, flus, the immune system and stomach aches; also great on toast and oatmeal. Children love it!

Lavender Honey: Provincial flavor with a soothing scent, perfect for toast, scones and tea. Guaranteed to lift the spirits!

Candied Osha Root: We take fresh wildcrafted osha root and steep it in local honey to create this candied osha root. A milder source of osha than the fresh or dried root. Cut off a small piece to chew to soothe a sore throat, or drop a piece in a cup of tea to aid with a cough or cold. It will quickly become a favorite for your family's health.

Osha Cough Syrup: Our best anti-viral respiratory formula; a great cure-all for every kind of cough. A combination of roots and herbs steeped in honey and added tinctures for an extra medicinal punch. Your kids will love it too!

Herbal Vinegars & Oil

Our vinegars are made with organic, raw, unfiltered apple cider, with the mother. These delicious vinegars are a great addition to salad dressings, marinades and sweet and sour sauces. Apple cider vinegar has historically been used as a daily supplement to promote general well being.

Cilantro Vinegar : Cilantro is specifically used as a heavy metal detox. A wonderful way to detox the body and enjoy the many benefits of apple cider vinegar.

Piñon Vinegar : This apple cider vinegar is high in Vitamin C and captures the essence of the Southwest high mesa desert in its fabulous aroma and taste. A great culinary addition to your kitchen!

Desert Blaze SW Cider: Our own unique take, we've combined the ingredients from the original Fire Cider formula, and added our own flair of local spice and nutrition. We have added burdock, nettle, and nasturtium microgreens for their nutritive qualities, as well as the southwest spice of green chili! Go ahead, give it a try and ignite your immune system!

Turmeric Ginger Vinegar: A unique fresh mixture, this vinegar uses locally cultivated turmeric and ginger to provide a refreshing, slightly sweet taste! Great to tonify tissue and reduce inflammation in the body.

Desert Oil Blend : This blend of tarragon, piñon, and local garlic infused in extra virgin olive oil is great for culinary use in salad dressings or a bread dipping. Mix with our infused vinegars for a taste to delight the senses!

Bath & Beauty

Lavender Rejuvenating Face Cream: A best seller, this gentle fragrant cream will help your skin stay softer, smoother and more vibrant. Regular use can help smooth fine lines and wrinkles, reverse sun damage and improve the elasticity of the skin. Use before bed and wake up to a refreshed and replenished new you!

Cuticle Care: \$18/4 oz. Keep your cuticles feeling healthy and happy with our calendula lavender cuticle care remedy. Use on both hands and feet to nourish nails and dry skin.

Deep Cleansing Facial Scrub: Our fine powdered mix of organically grown adzuki beans, oats and fresh herbs, gently cleans and exfoliates while softening the skin. Gentle enough for the face, this non drying scrub can be used on the entire body.

Lavender Salt Scrub: A blend of mediterranean sea salt, with luxurious oils, our own lavender and locally cultivated calendula this scrub can be used in the bath or the shower to exfoliate and moisturize, leaving you with silky smooth, glowing skin.

Floral Facial Serum: A beautiful serum made with wildcrafted rose petals, rose hips and resin-rich calendula flowers infused in unrefined apricot kernel oil. Hydrating, nutritive and restorative for all skin types. Used regularly, this serum restores vitality and suppleness to the face. Especially effective when used with our Lavender Bliss.

Lavender Bliss: Enjoy all the benefits of lavender in this pure hydrosol. Use this versatile mist to uplift and relax mood and skin whether in traffic, at work or at home. Lavender is used world wide to relieve tension and bring calm to the nervous system, mind and body. Also helps deter mosquitoes.

Lavender Bath Salts: Relax in this lavender flower and lavender essential oil infused epsom salt bath treat!

Lavender Body Lotion: Our wonderful combinations of paraben-free, apricot kernel oil, jojoba oil, organic herbal extracts and organic essential oils makes this hand and body lotion a fabulous product. It's a non-greasy, easily absorbed and emollient moisturizer.

Lavender Body Butter: This combination of organic shea butter, olive oil, apricot kernel oil, vitamin E oil, calendula and lavender essential oil is a deeply nourishing balm for the entire body but especially for the neck, breasts and hips, attending to wrinkles, stretch marks and scar tissue.

Lavender Nights Oil: Our blend of sensuous oils & fragrances is designed to activate your senses. This aromatic oil may be used as a massage oil or splashed into a hot bath. A delightful sensation for your home spa.

Spot Remover: A blend for skin spots of all kinds: aging, sun exposure, acne scarring, and more, this little bottle is a must have to include in your toolbox of skincare products. A couple little drops applied to the desired area will help heal and remove those unwanted spots!

Herbal Salves

Made with organic olive oil, pure beeswax and organically grown or wildcrafted herbs.

Calendula Salve: A disinfectant and aid for slow healing cuts and wounds. Calendula stimulates rebuilding of skin cells, helping to repair the epidermal layer and minimize scarring; perfect for diaper rash and abrasions.

Chaparral Salve: Slows down and inhibits the growth of bacteria with chaparral's anti-microbial properties. Excellent for sun exposure, and ages spots or growths on the skin.

Healing Salve: For scratches, cuts, chapped lips, dry skin and light burns. A great aid for treating eczema and a general support for healthy skin.

Rio Grande Salve: Antibiotic, antiseptic, anti-fungal, antibacterial and anti-itch; great for bug bites. Wonderful addition to your herbal first aid kit!

Trementina Salve: An all-purpose New Mexican folk remedy, made from the sap of the piñon tree. Helps the body expel foreign objects such as splinters and glass. Also great for boils.

Herbal Oils

Made with organic olive oil and organically grown or wildcrafted herbs.

Arnica Oil: For sore, achy muscles, sprains and bruises where skin is not broken.

Arnica Hypericum Oil: A unique oil blend of arnica, hypericum and white sage; best used topically for bruises, sprains, strains, arthritis, nerve pain, nerve damage, and any injury or trauma to the body. For external use only where skin isn't broken.

Breast Oil: An all-organic oil blend for self breast massage, lymphatic drainage and fibrocystic problems; also, helps break down scar tissue after surgery.

Calendula Oil: For diaper rash, dry skin, inflammation and skin irritation; a mild and soothing oil, it's also great for after bath skin care.

Chaparral Oil: Anti-inflammatory and anti-septic properties of chaparral make this an excellent oil to assist treatment of eczema, psoriasis and arthritic pain.

Ear Oil Drops: For ear aches and ear infections. Always treat both ears. Warm to room temperature.

Hypericum Oil: For sciatica specifically, nerve pain or damage in general.

Lavender Oil: Our own hand picked organic lavender flowers steeped in apricot kernel oil and blended with organic lavender essential oil; used for bath and body. It calms the body and uplifts the spirit.

Lymphatic Massage Oil: Considered a concentrated blend of herbs, this formula works to help drain and move lymph to reduce stagnation. Our organic olive oil is infused with lymphatic herbs, and blended with castor oil and essential oils to provide a fully body lymphatic formula. Use on the breasts for daily massage and breast health, on the pelvic area for menstrual cramps, on lymph nodes on the neck for sickness, and much more.

White Sage Oil: Traditionally used for spiritual cleansing and purification, this sage, native to California, can be used in the bath as an incense for self massage.

Muscle Ease Herbal Liniment: The same herbal ingredients as our Arnica Hypericum oil. It's a valuable anti-inflammatory, best used for bruises, muscle sprains and strains, arthritis and any time there has been an injury or trauma to the body. Do not use on open wounds.

Itch Away: A topical spray that can help relieve the itch from bug bites or skin exposed to poison ivy or oak. Helps dry up the rash.
